The motion to consider Article 23 prior to consideration of Article 6 passed by voice vote.

Article 23. By petition of 20 or more eligible voters, we the town of Richmond hereby call upon our State and Federal elected representatives to pass carbon-pricing legislation, in the US Congress (such as HR763) and in the NH General Court (such as HB735), to protect New Hampshire from both the costs and the environmental impacts of continued inaction. We want a 'Carbon Cash-Back' program that uses a revenue-neutral, market-based carbon price with cash-back rebates to all NH residents aged 18 and over. Carbon cash-back programs provide significant economic benefits to consumers by correcting long standing market-failures and delivering rapid reductions from harmful emissions. We understand that if the federal bill passes there will be no duplication of carbon pricing fees. We expect our representatives to lead in this critical moment for the health and well-being of our citizens and for the protection of New Hampshire's natural resources upon which we all rely. Further we support Carbon Cash-Back because it promotes energy independence, decreases fossil fuel dependence and keeps New Hampshire's energy dollars in New Hampshire's economy. Town of Richmond, New Hampshire
2020 TAX COLLECTOR'S REPORT

Steve M. Boscarino, CTC
Tax Collector

Ann Dea Whippen
Deputy Tax Collector

Greetings to the Residents and Property Owners of Richmond,

As a continued reminder, property owners may now review and pay their property bills online at nhtaxkiosk.com. In 2020, 174 parcels were paid online; 157 parcels were paid online in 2019.

Because of COVID, the Governor asked that all towns put on hold all deedings for 2020. As such, property tax liens from 2017 were not processed for deeding. There was one property up for deeding and that property will move forward with deeding in 2021.

The 2020 property tax rate is \$23.71, down from the 2019 rate of \$24.19/thousand, a 1.98 % decrease. Second issue 2020 property tax bills were mailed out on Tuesday, December 1, 2020 and were due on Wednesday, January 6th, 2021. Approximately 1,057 tax bills totaling \$1,294,331.50 were mailed out for collection. The total 2020 tax commitment was \$2,514,630...\$93,333 higher than the 2019 commitment of \$2,421,297. By law, the earliest possible due dates are July 1st and December 1st, respectively.

Again, on behalf of Ann Dea and myself, it has been a tremendous pleasure serving the Town and its residents for another year.

Sincerely,
Steve M. Boscarino, CTC
Ann Dea Whippen

Town of Richmond, New Hampshire
SELECTMEN'S ANNUAL REPORT
2020

The Richmond Selectmen at year-end 2020, were Bill Daniels (Chair), Douglas Bersaw, Andrew Wallace. Susan Harrington is our Town Administrator, and Jen Thompson is the Administrative Assistant.

Roads and Bridges:

2020 saw more improvements to town roads. Morgan road was milled and paved from Rt 119 to the end of the old pavement with a base coat and top coat. All other roads received grading and additional gravel, our 10 year infrastructure plan is starting to bear fruit. Whipple Hill bridge will start this year (2021). This bridge comes with a price tag of just under \$1,900,000.00. 80% of this will be offset by the State Bridge Replacement Fund. Homeland Landscaping has been doing a great job on winter road maintenance and we hope to keep them on board in the future. The Selectmen have had nothing but positive feedback in reference to Homeland's performance.

Police Coverage:

The Cheshire County Sheriff's Department and the NHSP continue to provide police coverage to the town. The town enjoys excellent coverage at a net savings of slightly over \$100,000.00 per year. Like the Highway crews, the Selectmen receive nothing but positive feedback about the police coverage.

Fire and Rescue:

The town of Richmond is lucky enough to have one of the best part time Fire and Rescue squads in the area. The members are highly trained and highly motivated. The squads spend long hours training and responding to calls, both in town and coverage for other towns under the mutual aid agreement. All this training as well as the on duty time is done at \$0 to the taxpayer. The next time you see one of these first responders take a minute and thank them.

Conclusion:

2020 was a very trying year for some people and municipalities, Richmond seems to be handling it quite well so far and let's hope that continues. The Selectmen will continue to press for the best possible services at the best cost. Our road improvement plan will slow slightly the next couple years until we have the bridge projects behind us. The town is losing a hard working, dedicated employee Annette Tokunaga, the Town clerk is stepping down after years of service and we wish her all the best. On a happier note Karen O'Brien is running unopposed for the position and will fit in nicely. The selectmen would like to thank all town officers, employees and volunteers for all their hard work and dedication in helping to keep Richmond the great little community it is.

Respectfully submitted,
Bill Daniels, *Chairman*
Doug Bersaw
Andrew Wallace

Town of Richmond, New Hampshire
TOWN CLERK'S REPORT
DECEMBER 2020

A Presidential Election year is always a busy year. But the global COVID-19 pandemic created a reckoning of spirit, mind and body that could not have been foreseen.

The Presidential Primary was held on February 11. As is typical with other Presidential Primaries when an incumbent is running, the voter turnout was about ten points lower than the Presidential Primary four years earlier (when no incumbent was on the ballot), at 48%.

The first session of the Town Meeting, the Town Election, was held on March 10 with no changes to how the election was conducted, although there was concern about the emerging coronavirus. Within two to three days, this concern had grown to a level prompting precautionary measures for the second session of the Town Meeting held on March 14. Turnout was low, with 62 voters in attendance, and business concluded less than one hour after the meeting was called to order.

The NH Secretary of State hosted numerous instructional Zoom meetings for local election officials in the weeks leading up to both the September State Primary Election and the November General Election. In addition, both the NH Secretary of State's Office and the NH Attorney General's Office sent out frequent emails, keeping election officials abreast of the latest changes pertaining to the upcoming Elections.

After much research and deliberation, Mr. Walden Whitham, Richmond Moderator, instituted changes as to how the State Primary would be conducted. He set aside booths designated solely for those voters who wore no masks. Additionally, the State provided supplies of personal protective equipment (PPE) specifically for use at the elections to all municipalities. And, at the close of the polls on September 8, the Town of Richmond saw the highest voter turnout of any previous State Primary since 2008, with 323 voting.

The November Election was run as the State Primary was, with the presence of PPE and booths set aside for those voters who wore no masks. Voter turnout was higher than any since I have been tracking (1999). In total, there were 725 ballots cast. The previous high number was 697, recorded in 2012.

In both the September Primary and the November General Election, absentee voting was higher. This was primarily due to the number of voters who voted absentee due to COVID-19 concerns.

After the September Primary, Martine Imon, Deputy Town Clerk, resigned due to COVID concerns. She had last been in the office on March 16. At that time, it was decided that it was not safe to work together in the confined and shared space. On that day in March, we never imagined that the pandemic would persist for as long as it has. To this day, I miss her presence, both professionally and personally.

On March 23, to be consistent with Governor Sununu's Emergency Orders, I instituted appointment-only business and encouraged online business whenever possible. In-person business was conducted primarily in the parking lot. In June, when the Governor allowed indoor business, I began in-person business inside the Town Hall, while continuing with an appointment-only policy. Once repairs were completed and the Selectmen deemed the front steps of the Town Hall acceptable for public use, a one-way flow of traffic became possible. Thusly, I returned to no-appointment-needed business on June 29.

Always, my goal was to respect everyone while optimizing the safety of all. Whether you wore a mask or did not. Whether you were afraid to come into the Town Hall or to even drive to the building. I want to thank everyone for bearing with me during those weeks and months. I am grateful for your patience and understanding.

The numerous elections with anticipated high voter turnout combined with the ever-changing impact of the pandemic created a level of stress that I had previously never experienced as your town clerk. Another of my priorities was, as it has always been, to conduct all my duties "faithfully and impartially," according to State law.

In closing, this is my last Town Clerk's Report. It has been my joy and privilege to serve you, the people of Richmond.

Respectfully submitted,
Annette Tokunaga, *Town Clerk*

RICHMOND PUBLIC LIBRARY

2020 was certainly a year that will remain fixed in our minds for a long time. COVID-19 ravaged the country, and even rural Richmond was not immune. But here at the Library, we continued to offer services throughout the year to our community. In March we had to quickly pivot to online services and home delivery of library materials, but we tried to make sure that the community of Richmond stayed strong.

Looking back to 2019, the Library had become a hub of community activity. We started 2020 with tons of programming for adults and children, including a February vacation technology camp for kids, CPR courses, knitting and book groups, and monthly teen pizza nights. We were able to hold the first lecture in a series on sustainable gardening in conjunction with the Richmond Agricultural Commission. But then we had to shut our doors. It was a quick learning curve, but we began offering online story times via Zoom. We made many home deliveries of books, magazines, and DVD's. Kids' craft kits were offered for pick up each week and our summer reading program, "Imagine Your Story," was held outside, first with self-guided activities in the Library parking lot, and then moving to in-person activities at the Pavilion. As the threat lessened, the knitting circle was able to meet at the Pavilion during the warm months and the Library moved to an appointment system, finally opening its doors again without an appointment in October. We proudly opened our new Book Shed, filled with used books and had a fantastic indoor Handcrafts raffle in November. After Thanksgiving we developed a curbside system for people to pick up bagged materials either hand-selected by our staff or reserved through our online catalog.

February Technology Day*

Traditional library functions became even more important during this time of personal distancing. We circulated 3,590 items, grew our collection to 10,301 items, and have 498 registered borrowers. But more importantly, we reached out to our community and tried to bring books and good cheer in troubled times. An important part of this outreach was through our revised Facebook page handled by Assistant Librarians Susan Opal Wyatt and Patricia Newton. Volunteers also continued to be an integral part of the Library, helping with kids crafts, programs, and making items for our raffle. Special thanks go to Sandee Auvil, Douglass Bartlett, Joan Bernier, Cay Dilello, Dixie Gurian, Roxanne Hubert, John Lewis, Susan Marsden, Lynne Mason, Bonnie McCarthy, Jerry Mills, Elaine Moriarty, Sally Morton, Louise Nolan, Karen O'Brien, Barbara Rogers, Mary Taylor, Caroline Tremblay, Alison Van Brocklin, Pam Weaver and Kathleen Whitham. Thank you all for making the Library and Richmond such a special place.

The Cheshire County Sheriff's Office continues its standing commitment to providing the Town of Richmond, New Hampshire contracted police services. This commitment has benefited both entities, and the relationship between the community and the Sheriff's Office continues to be a very positive experience.

Twenty-twenty is the year to remember. A global pandemic and national unrest almost brought our nation to a standstill. Law enforcement agencies being placed under the microscope, with demands for more transparency, free of systemic racism, implicit biases, and everyone is treated with dignity and respect. As Sheriff, I can assure you that it has been my utmost priority that every person we interact with is treated with respect, fairness, and dignity.

Even with the COVID-19 pandemic, our staff never stopped. We continued to provide 24/7 dispatch services, deputies continued to perform their daily responsibilities, which were scaled back to ensure preventive measures and guidelines were followed. I couldn't be more prouder of my team.

During the pandemic's initial phase, deputies helped local schools deliver over 1200 lunches to communities and families throughout the county, a very humbling accomplishment.

Twenty-twenty was our full year of police contracted services with the town:

- | | |
|---------------------------|---------------------|
| • 974 Calls for Service | • 19 Investigations |
| • 144 Motor Vehicle Stops | • 8 Arrests |
| • 6 Accidents | • 1516 work hours |

*The above statistical information does not include calls handled by the New Hampshire State Police.

Lieutenant Caleb Dodson oversees the contracted police services, assisted by Deputy Sergeant Peter Bowers, Deputy Brendon Bosquet, and Deputy Mark Chamberlain. We are committed to providing contracted police services that are fiscally responsible, within budget and thoughtful to the needs of the Town.

I look forward to continuing our service to the Town of Richmond in 2020.

PARKS & RECREATION COMMISSION

This year we were fortunate enough to continue with most of our annual events. The Richmond Parks and Recreation Commission organized and hosted the Annual Winter Event in January, and one Family Movie Event at Takodah in February. In March, instead of gathering for an Easter Egg Hunt, residents were encouraged to pick up bags of pre-filled eggs to do an egg hunt with their family at home. In the spring, we helped out with Richmond's Roadside clean up, and prepared the beach and park for the season. Lauren Reese helped out again by picking up trash and waste on the beach so that we had a clean area to play and swim. Thank you!

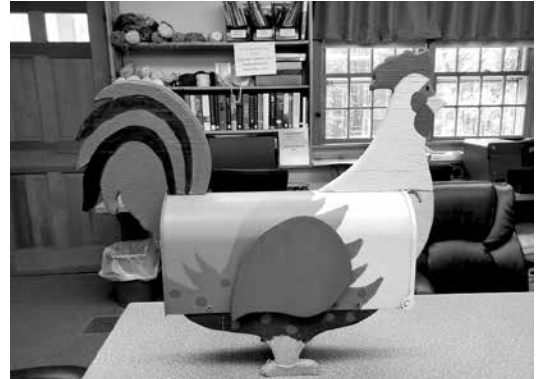

In June, we handed out "Party Bags" to families so that they could celebrate the end of another school year, and the beginning of summer. We threw a Back-to-School party in August! We decided to join with the Agricultural Commission for a collaborative event. So in October, the Parks and Recreation Commission held our annual Harvest Festival along with the Agricultural Fair. We hope to continue to do this in the future. The Parks and Recreation Commission purchased, decorated, and hung Christmas wreaths on the town buildings this winter. Thank you Maureen for all of your hard work.

Thank you for another great year, and we look forward to seeing you in 2021.

RICHMOND TOWN ARCHIVES

The Richmond Town Archives is a source that many in Town turn to when they have a question about Richmond's history. This past year we answered 6 detailed research requests from researchers primarily in the Monadnock region. We accessioned 2 new collections and accepted 1 transfer from Town Departments. Active collecting of items related to COVID-19 has been a focus throughout the year, in the hope that these items will prove to be helpful to future researchers.

"The Richmond Rooster," Gift of Rosti and Jeani Eismont

Our primary goal for the year was to reduce some of the duplication that inevitably occurs in such a large collection. The Richmond Rooster, the Town's monthly newsletter starting from 1991, was completely reorganized. There are now full runs in both our archival collection and for reference at the Library. Our staff continued professional development by attending a webinar by the well known photo historian, Maureen Taylor. We also continued our outreach to outside organizations, by beginning work with the New Hampshire Historical Society to upload our many historic photographs so that they may be used by researchers around the world.

This year's goals include working with the New Hampshire State Library by sharing our digitized collections, working with the Peterborough Library and the Historical Society of Cheshire County to help identify African Americans who lived in Richmond, and reviewing the Town Annual Report Collection for duplication. And of course, helping researchers! Please contact us at the Library if we can assist you with your exploration of Richmond's history.

The year 2020 was a difficult year for everyone. Rapidly changing health concerns caused by a virus, named Covid 19 began early during the year. Within short months the health conditions caused by this respiratory transmissible virus caused terrible illness and death worldwide-a Pandemic.

By March, 2020, concerns for health safety brought changes to all aspects of our lives. School attendance, job and work attendance, daycare attendance, shopping, recreation, social activities, religious observances, state and local government practices, even access to health care were abruptly impacted.

My role as a Health Officer has required changes. I am still responsible for school and day care inspections. I still investigate complaints of poor housing, water, or sanitary waste issues but public safety for town, personnel, offices, and necessary functions appeared front and center.

I met with Richmond town officials and personnel. It was important to discuss and demonstrate safe practices to do necessary personal prevention while working and interact with the public when necessary. The New Hampshire Department of Health and Human Services provided health officers with supplies of hand sanitizer, disposable gowns, gloves, and face masks. These were distributed to town offices for use by employees and the public. Richmond town officials presented me with information about how they could make changes in procedures and practices and safely keep town business operations functional.

In some cases it was placement of a plexiglass barrier or rearranging seating in a room where appointments or meetings are held. Rearranging traffic patterns, wearing masks while working, when physical distancing of 6 or feet is not possible and frequent hand sanitizing are the "new" workplace norms.

Large children's summer camps, including Camp Takodah, were suddenly in turmoil about how and when they could safely open. In May, 2020, the NH Department of Health and Human Services provided guidelines and requirements for day camps and overnight summer camp opening. Conversations with Camp Takodah directors during the weeks leading up to Summer indicated that they, and all of the other camps in our region, could not offer a safe environment in the current virus atmosphere. The impact of the camp loss was not only local but worldwide.

I attended virtual, Zoom, Covid education, and health conferences on at least a weekly basis during the year. A weekly Governors call was also presented to health officers, emergency medical personnel, and human service providers to keep us abreast of new concerns and conditions.

During the Fall I discussed the National Election, Richmond voting site and a safe process with the Town Moderator and town officials. I did make a visit during the voting process to ascertain the masks, gloves, and hand sanitizer were available for public use. I observed that voters and observers were masked and or physically distanced 6 feet as required.

As the year ended I participated in on-site conversations about possible solutions for a safe training environment for new personnel in the available space provided in a town office. I also had renewed conversations with town officials about maintaining the Governor's mask or physical distancing requirements while in a public building.

The virus is not going away soon. We will have to remain vigilant, protect ourselves as we have been directed, and have faith that like other scourges before, it can be eradicated

Carol Ann Rocheleau, *Health Officer*

RICHMOND CEMETERY TRUSTEES

Each year the cemetery trustees strive to maintain and improve our eleven town cemeteries, sell easements and oversee the internments of those who have passed.

This year we had two cremation Internments and one full burial. No new easements were sold.

2020 saw the welcome addition of lifelong Richmond resident Hugh VanBrocklin as Town Sexton. Hugh's first order of business was reviving the long unused power equipment and to much surprise got everything operational. Hugh has done an excellent job of mowing, brush cutting, cleaning, clearing, and overseeing burials. Thanks to Hugh and Jerry Mills for painting the Middletown fence.

Keene Monument was hired to straighten and reset fallen grave stones in town cemeteries, completing Benson, Aldrich, Quaker and Old South. In 2021 we plan to continue maintaining the gains we've made and do more at Barrus cemetery (off Whipple Hill Road) that had been neglected for many years before we started resurrecting it a few years back.

This year we received another generous donation from John Coney of North Carolina. This donation made it possible for us to do more rehabilitation of Aldrich, located at the Swanzey town line. Jerry Mills will be engraving a natural sign to be erected on Route 32 at the base of Aldrich cemetery.

Each year we place American flags on our veteran's graves before Memorial Day and pick them up after Veterans Day. Please inform the trustees if you know of a grave that needs a flag and of any other concern you may have.

Trustees meet at 4:30 on the third Wednesday of each month at the town library, there are no meetings during the winter but we are still available for any cemetery business.

CONSERVATION COMMISSION

2020 ANNUAL REPORT

The Richmond Conservation Commission held only five scheduled meetings due to the Covid-19 Pandemic, and one field work session. It has been a relatively quiet year for Conservation Commission activities.

Per the request of the Richmond of Selectmen, the conservation commission performed 1 wetland site review and presented the findings to the Board of Selectman.

Alex Metzger, Stewardship Director for the Monadnock Conservancy, holders of the Bennett Town Forest Conservation Easement, performed their annual field review in August 2020 to ensure compliance with the conditions and obligations of the easements. The field monitoring review report indicated compliance with the conditions of the easement and noted ATV rutting to some wetland areas. The commission will continue to monitor the situation and if necessary, request assistance from law enforcement agencies.

The commission did not perform any invasive plant control along the town roads or the Bennett Town Forest during 2020 but will continue to monitor their populations and potential spread and may schedule additional control activities in 2021.

As a reminder, The Richmond Conservation Commission holds its regularly scheduled meeting on the 1st Thursday of every month at 7 pm at the Veterans Hall unless otherwise posted.

Welfare budgets vary from year to year depending on the economy and individual circumstances. 2020 has been challenging due to the pandemic and I feel that we may see more need in 2021. Appointments with the Welfare Administrator are made by contacting the Selectmen's Office during normal business hours or by calling me directly.

In addition to the Resources/Helpful Tips and the List of Paperwork required to apply for assistance below, I am working on a "Grab and Go" program with the Meals on Wheels Agency. One hot meal and 4 frozen meals would be delivered to the Veterans Hall once a week and individuals can pick them up at that time. Donations are requested if able. Usual cost per meal is \$3, but any donation amount is accepted. Hopefully, by Town Meeting, we will have this program up and running.

Emergency Management spent significant effort monitoring and responding to Covid 19 issues. We spent a great deal of time with HSEM ensuring that we were abreast of the latest information and following the recommended protocols. We had several meetings clarifying and updating emergency response guidelines. We made several acquisitions of PPE at no cost to the town. Due to the virus we did not undertake to revise the LEOP or the Hazards Mitigation plan last year. Hopefully we will be able to get those revisions done this year. We may have to go to Zoom or the like to accomplish that task. In addition to the virus monitoring we had several weather events that needed our attention. Fortunately, we did not suffer very serious impacts to the town.

The Zoning Board would like to thank the Richmond Zoning Compliance Officer, Richmond Conservation Commission and the Richmond Selectmen for their knowledge and expertise helping to guide applicants to stay in conformity with the procedure. Their experience and professional input is appreciated.

This has been a very challenging year for us all but the Planning Board has heard all applications to date after the Emergency Order was lifted from the Governor's office.

The 2020 Town elections welcomed Lloyd Condon and Eric Duda to the Planning Board. Condon has served many years on the Planning Board as Chairman, Vice-Chariman and full seat. Eric Duda was newly elected this year but has proven to be a valuable member. 2020-2021 Board Elections welcomed Stacie Maillet serving her second year as Chairman, Lloyd Condon serving as Vice Chairman and Doug Smith serving as Secretary. Butch Morin (Alternate) who is a long-standing volunteer continued his appointment serving in the position of Commissioner for Richmond to Southwest Regional Planning Commission until March 2021.

The Planning Board regretfully received a resignation from Butch Morin from his alternate seat on the Board. The Board would like to publicly thank Butch for his years of service to the Town of Richmond spanning 33 years and 9 month. Butch has held many seats and finished as a very dedicated alternate. We could always rely on Butch to be there. Butch served for many years in the position of Commissioner for Richmond, to the Southwest Regional Planning Commission and holding a seat on the Board of Directors for Southwest Regional Planning Commission. His attendance with SWRPC was incredible and kept the Board up to date on regional issues. It's our hope that we can ask Butch to continue to represent the Town, as he has for so many years, as Commissioner for Richmond to SWRPC. His knowledge of the history of Land Use and past procedures spanning over years was an asset to the board and town. An asset that cannot be replaced.

The Planning Board addressed a Boundary Line Adjustment for Map 9 Lot 35 and 35-1. Scenic Road Hearing for Eversource to begin cutting on the Town owned roads in accordance with the RSA 231:158 Scenic Road and a Cell Tower Application for Map 407 Lot 95.

The Land Use Boards move to the Civil Defense building (old police station) was put on hold due to the Emergency Orders from the Governor's office. Social Distancing could not be achieved. Summer and Fall meetings and hearings were held at the Pavilion behind the Fire Department until daylight and cold made the boards come indoors. Late fall and winter boards have been using the main hall or kitchen of the Veterans Hall where the Emergency Orders could be adhered to.

Overall, it's been a busy year keeping up with the ever changing local, state, and federal updates. Our town volunteers donate many hours of their personal time and expertise to keep Richmond moving forward. The Planning Board would like to thank the town for their continued support and look forward to continuing to serve our town to the best of their ability.

Respectfully submitted,
Chairman Stacie Maillet, Vice Chairman Lloyd Condon, Secretary Doug Smith, Seth Reece, Jason Macdonald, Eric Duda, Selectman Representative Doug Bersaw, Alternate Jed Butterfield and Alternate/SWRPC Commissioner Butch Morin
